ATTENTION NEW CUSTOMERS!!!

Enviro-Equipment Inc.® is a North Carolina certified “Woman Owned Business Enterprise,” incorporated in January 1993. EEI is staffed by a team of environmental professionals with over 45 years of experience in the environmental industry. We are committed to providing quality rental equipment and products at reasonable rates. Our equipment is cleaned and calibrated before each rental; however there is never a recalibration fee. We offer daily rates on all of our rental equipment without one week or two day minimum requirements. The rental period begins the day after equipment is shipped by overnight courier to our customers. We offer same day shipment of in stock sales items. If you would like to set up an account with our company please contact us at (888) 274-8929 or (704) 588-7970.
