EEL Air Strippers

Enviro-Equipment Inc. offers low profile, low maintenance, removable tray air strippers made from marine grade aluminum. The side panel access allows one technician to remove and service trays on even our largest air strippers. EEI's Air Strippers offer removal efficiencies up to 99% for flow rates up to 250 gallons per minute. Whether you need a replacement air stripper or a full scale water treatment system, EEI can customize a solution to meet your needs.

Key Features:

- Marine Grade Aluminum Construction
- Easy Maintenance Slide Out Trays
- Centrifugal Fan Blower with TEFC or XP Motor
- Low and High Pressure Switches
- Pressure Gauges, Air Flow and Water Flow Meters
- Influent and Effluent Transfer Pumps
- Float Level Switches for Pump On/Off and High Level Alarm
- UL 508/698 Listed Control Panels
- Influent and Effluent Bag Filter Housings
- Mounted on Skid or in Wood Building or Cargo Trailer
